

NEESER NEWS

Next week, we are learning...

- Math: Ch. 9 Operations with Fractions
- Spelling Unit 11, Vocabulary Unit 12
- Religion: Easter, the Virtue of Magnificence and St. Pope John Paul II
- Reading: Non-Fiction
- Science: Organism Structures and Behavior
- Social Studies States and Capitals Review

Upcoming Tests and Quizzes:

- Spelling Test Tuesday, April 16
- SS Quiz Friday, April 19
- Math Test Tuesday, April 3
- 50 States and Capitals Test Friday, April 26 (Last day to take it, see note to the right)

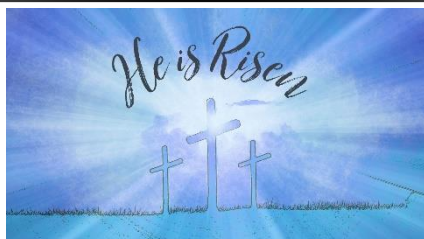

April Virtue of the Month:

Magnificence

To allow the goodness of God to shine through everything you do

Saint of the Month:

St. Pope John Paul II

News and Important Dates:

- Your child received a bright pink permission slip for Mileage Club yesterday in his/her homework folder. Fill it out and return it by **Monday, April 15** if your child would like to participate.
- On the back of this newsletter and attached to my email, you'll find a letter describing our state research project. Like our Christmas essay, this writing project is going to have a visual component to be completed at home. We picked states today in class.
- The last day for your child to take his/her states and capitals test is **Friday, April 26**. I am going to allow students to take their test before this date of they decide they are ready.
- It's that time of year where some of our supplies are running low. If you are able, a few rolls of paper towels would be greatly appreciated!
- For the 4th quarter, students will have a weekly reading log. Reading may be done at school, but all 60 minutes must be done by time students arrive at school on Mondays. This will start this Monday.

Shaping Hearts and Minds in the Service of Christ.
